At the Yearly Meeting of Friends for New England, held at Portland, Maine, in the Sixth Month, 1885, the following Minute was directed to our Subordinate Meetings:

“The Meeting was brought under an earnest concern that the Spirituality of the Gospel and its advocacy by Ministers and others, shall be maintained inviolate. We desire to protect our membership from all influences which are not in accordance with the clear testimony of our Religious Society and the teaching of the New Testament. We believe in the Spiritual nature of Christ’s kingdom, and that all outward ceremonies have been fulfilled and ended in Christ. This Meeting records its judgment for the guidance of its Subordinate Meetings, that those holding or teaching a contrary doctrine cannot be received as acceptable Ministers of the Society of Friends, within our limits.”

To the Monthly Meeting to be held at Yarmouth
Nov 5th 1851.

Dear Friends It is now nearly ten
years since I entered into fellowship with you
having, for some time, been convinced of the truth
which you are supposed to hold. The Committee
who waited upon me at that time will bear me
witness that I said then that I was not convinced
of some practices amongst you but of the principles
of truth which you profess to follow.
As these things have increased from year to year
I have grown the more uncomfortable in appear-
ing to hold to the very things I professed to leave
for conscience sake. So that I have with

assign any right amongst you.

Yours,
